No. C 248/30-31 OFFICE OF THE COMMISSIONER OF STAMPS IN MYSORE,

ENCLS. 1. Qr.

Dated, Bangalore, the 15th January *1932*

FROM D. SRINIVASA IYENGAR, ESQ., B.A.,
THE COMMISSIONER OF STAMPS IN MYSORE.

TO RAJASEVAPARAYANA
B. SRINIVASA IYENGAR, ESQ., B.A., B.L.,
Secretary to Government,
Financial Department, Bangalore.

Sir,

I have the honor of forwarding herewith a copy of letter No.222 dated 10th October 1931 received from the Superintendent of Stamps. He sets out at great length some reasons why the posts of counters and foreman in his office should not be thrown open to the new comers who take a long time to learn work and observes that the appointments are more or less of a technical character to which literate and qualified pressmen in his office may legitimately aspire by way of promotion and requests the grant of a general exemption for the appointments of counters and foreman of his office from the operation of the ordinary Rules of Recruitment. I am inclined

inclined to agree with him that the work of a counter is more or less of a technical nature. Such appointments in the Government Press have been specifically exempted from the operation of the rules of the recruitment Board (vide rule 8(b) of the C.R.B.Manual). I recommend that Government may be pleased to sanction his recommendation.

I have the honor to be,
Sir,
Your most obedient servant,

D-Srinivasa Iyengar
Commissioner of Stamps
in Mysore.

Copy of letter No.222 dated 10th October 1931 from the Superintendent of Stamps in Mysore, Bangalore, to the Commissioner of Stamps in Mysore, B a n g a l o r e .

Adverting to correspondence ending with your letter No.C.76/31-32 dated 10.9.31 calling for detailed information regarding the appointment of a volunteer on place of a counter referred to in letter No.1462 C.R.B. dated 3rd September 1931 addressed to me by the General Secretary to Government, I have the honor to state that the vacancy in question arose out of Counter Nagesa Rao going on 15 days privilege leave with effect from 16.10.30 in the first instance. The vacancy was duly reported to you, and following the previous practice, -- seriatim arrangements were made and sanctioned by you in your order No.N Dis.on C.66/30-31 dated 16.10.30. Nagesa Rao did not however - return to duty, but went on extending his leave piecemeal, and he is still absent. Every one of these applications has been duly submitte to you, and your orders obtained. The last application which was for leave on mdeical certificate for 2 months expiring on 15,10.31 has - not yet been sanctioned by you since the District Medical Officer, Bangalore insisted on seeing the official before he could countersign the medical certificate which was granted by a Medical Officer of the Hyderabad State. In the meanwhile as the acting incumbents were suffering for want of pay, the circumstances were reported to you in my letter No.131 dated 20th August 1931, and in your Memo No.C.251/30-31 dated 9.9.31 you were pleased to sanction my recommendation, that the acting arrangements might be approved, reserving for future considera -tion the question of the kind of leave which may be granted to -- Nagesa Rao.

2. In the beginning, the vacancy was filled up by seriatim promotion of the junior counters and pressmen in the office itself. But as the work in the office was suffering for want of literate and qualified hands, especially after the retirement of Accountant Gundachar and the place not being allowed to be filled up as a measure of retrenchment, one Venkannachar who has been woring in the office as a volunteer and has acted as counter on & off on previous occasions, and who is besides a good accountant and typist was appointed to act as counter on Rs20/- (last place) in the said seriatim arrangements caused by Nagesa Rao being on leave. The acting arrangements have, as already stated, been approved by you in your Memo No.251/30-31 dated 9-9-31.

3. The vacancy was not reported to the Central Recruitment Board, as the appointment of a counter is neither of a "ministerial" nor " executive " character but is more or less of the same nature as that of a "muchi" or "attender" in the Secretariat or Comptroller's office which are understood to be outside the purview of the Central Recruitment Board Rules. Moreover, this appointment has also been specifically placed outside the operation of the aid Rules in your letter No. D2 Dis.6/26-27 dated 5/6.7.'26. These facts were duly brought to the notice of the Secretary Central Recruitment Board in my letter No. 11 dated 4.7 .'31. But as this view has not been accepted, a 'A' statement is herewith submitted as required in the General's Secretary's letter under advertance.

4. In this connection it is submitted that it will be exceedingly inconvenient and detrimental to the efficiency and safety of the office if the posts of counters and foreman are thrown open to all and sundry recruits. Because as observed by my predecessors Messrs. T.Hanumantha Rao, and K.Subba Rao in their letters No.408/26.6.'26 and 434/14.4.'28 to you respectively (vide extracts quoted below for ready reference).

> " new comers take a long time to learn work, and to acquire speed, and unless discretion is allowed for making a selection from among those who are trained therefor, necessity may arise for the entertainment of additional establishment to cope with the work "
>
> and
>
> " what is expected of these officials is not so much high general qualification as honesty, experience, and ability to handle correctly and account for lakhs of rupees worth of stamp -- papers which pass through their hands. These posts carry small pay, but the duties attaching to them are of a responsible onerous kind ... therefore ... previous experience in the of this office and trustworthiness of character should

the deciding factors in filling up these appointments ".

Moreover as the Supervisor who has furnished a heavy security will be held responsible if anything goes wrong, it is a point for consideration whether it is safe for him or for the office to entertain any and every raw recruit of whose character and antecedents nothing will be known. Besides, the appointment of a counter is one to which literate and qualified pressmen and other menials in this office itself may legitimately look forward for promotion. These men will become discontented if it is thrown open to outsiders. It is understood that it is for this very reason that the analogous appointments of " muchis ", "book binders" and "attenders " in the Secretariat and Comptroller's office are reserved for being filled up by local candidates. In these circumstances, I request you to be so good as to make a reference to the Central Recruitment Board or the Government and obtain general exemption for counters and foremen of this office from the operation of the rules of the said Board.

5. In the meanwhile, permission may kindly be accorded to continue the existing acting arrangement beyond the 15th instant in case Nagesa Rao does not turn up, as, in an office comprised of only four officials (1 Supervisor 1 Store keeper, 1 Accountant and one issue clerk) and 4 Counters, it will not be possible to manage the work with one accountant and one counter less.
